

WHY ANTIOCH DAYS?

Since 1854,
Christians were in Antioch

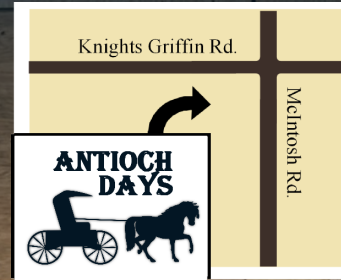

Antioch Days is a time set aside each year to celebrate our founding as The Church at Antioch in 1854. It is a solemn recognition of the faithfulness and dedication of early Christians who in obedience, followed the leading and direction of a sovereign God in establishing a church in the wilderness near the shores of Lake Thonotosassa.

Antioch Days is an annual tribute and celebration of a band of believers who, together in kindred spirit, faced tremendous obstacles, endured great hardships and literally gave blood, sweat, and tears for the foundation of a rock solid church - one which is alive and well today! Join us as we honor and share a heart-felt "thank you" to all those past generations of church families who chose to covenant their hearts together and cast their lot to become the church on the corner "where people meet friends and friends meet Jesus", at The Church at Antioch... East Thonotosassa Baptist!!!
